

PRELIMINARY CERTIFICATION

I hereby certify that I have supervised the preparation of the submitted plans and calculation for Storm Water Case No. SW-\_\_\_\_\_. The plans and calculations comply with those requirements described in Chapter 151 (Flood Damage and Prevention), Chapter 155 (Storm Water Management and Control) and Section 75-80 (Surface Water Drainage Ways) of Chapter 51 of the City of Hopkinsville, Kentucky, Code of Ordinances. I further certify that the implementation of these drainage plans will undertaken concurrently with the development of the site and in accordance with the plans submitted.

Furthermore, I understand that I am responsible for performing periodic inspections during the construction of the storm water facilities in order to ensure that the facilities are being installed per the approved plan and will certify said installation through the submittal of an "As Built" drawing and Certificate of Certification (Final).
