

About Us...

The Hopkinsville-Christian County Downtown Farmers Market was constructed in 2007 with grants from the Kentucky Agricultural Development Fund and the Kentucky Community Economic Opportunity Grant Fund, along with local funds from the City of Hopkinsville. Our purpose is very simple—to *provide the residents of Hopkinsville and Christian County with the highest quality and freshest selection of locally grown and produced agricultural products in a friendly, clean, and inviting atmosphere, sheltered from the outdoor elements.*

Area farmers come from Hopkinsville, Pembroke, Gracey, Crofton, Bluff Springs, Elkton, Cadiz, and the surrounding region to bring you the highest quality products available within our region.

We are very pleased to offer several means of conducting business to make it VERY convenient for you to shop with us. We accept cash, EBT cards, Debit cards, and Senior Farmers Market Nutrition Program vouchers. We are seeking participation in the WIC Program as well—just ask us about it!!

We are located in the heart of Historic Downtown Hopkinsville in Founders Square at the corner of 9th & Main Streets. FREE PARKING is available in Founders Square, along Little River Park, and along Main Street.

Our Season, Affiliations, & Membership Info

Downtown Farmers Market Season

We are open each Wednesday & Saturday from 7:00 AM-1:00 PM, mid-April through October. Our product availability varies depending on the growing season, but we always have a huge selection of the area's freshest agricultural products.

Downtown Farmers Market Affiliations

We are proud members of the Kentucky Farmers Market Association, Kentucky Proud, the Pennyrite Area Agritourism Association, and are registered with the Kentucky Department of Agriculture. Our sponsors include the City of Hopkinsville, the Local Development Corporation, the Christian County Extension Agency, the Downtown Renaissance District and Community & Development Services.

For additional information about us, visit www.hopkinsvilleky.us/agencies/downtown-renaissance and click on the Farmers Market tab. If you'd like to write a review, please visit www.localharvest.org and click on farms, then farmers markets.

Downtown Farmers Market Membership

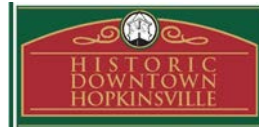

There is no fee to join the Downtown Farmers Market; however, a membership agreement is required and must be completed prior to your arrival and set-up at the Downtown Farmers Market. Please contact us to reserve your space if you are interested in becoming a vendor.
